Primary Examiner

1. The following is an examiner's statement of reasons for allowance: In claim 8, the described system having a technical database of stored electronic documents which were used to generate a job card function under control of a user, and in claim 15 generating a compliance record based upon a technical database of electronic publications, taken in context with the other limitations of claim 8 and claim 15, were not disclosed by, would not have been obvious over, nor would have been fairly suggested by the prior art of record. The dependent claims, being further limiting, definite, and fully enabled by the Specification were also allowable..

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

2. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
3. Smalley et al. (USA 6,067,549) disclosed a system for managing regulated entities, but did not disclose Applicant's limitations.
4. Yacoob (US 6,170,742 B1) disclosed a smart card for logging regulatory compliance, but did not disclose the database of technical publications stored in electronic form.

5. Lloyd et al. (US 5,950,150) disclosed compliance monitoring and verification of fire/life safety systems, but did not disclose the Job Card or Electronic Database of stored Publications.
